

Important: If you are not a trained motorcycle mechanic stop now. Ask a local motorcycle shop to do the work for you!

Please take extra care!

You have to mount the crash pads one side after the other!

At all times you have to prevent that the engine mounting bolts are loose at the same moment!

For tightening torque of the engine bolts look at the work shop manual!

Instructions de montage des Crash-Pads pour Yamaha FZ1 / FZ1 Fazer '06- N° article : 550Y106.1

Important: Le montage doit être fait par un professionnel!
Le montage des Crash-Pads s'effectue d'abord d'un côté et ensuite de l'autre!
Évitez le desserrage simultané des deux vis tenant le moteur!
Utilisez les couples de serrage préconisés par le constructeur!
